Suzanne M Dyer

Pulsus heartily invites all the participants, researchers, scientists, graduate students, and delegates across the world for our conference "World Congress on Recent Advances in Aquaculture Research and Fisheries" during October 16-17, 2020 in Vienna, Austria.

Aquaculture 2020 has been designed in an interdisciplinary manner with a multitude of tracks to choose from every segment and Offering opportunity to go to the presentations conveyed by eminent experts from everywhere throughout the world.

Best Poster Awards

Student Poster Competition is organized at Pulsus Academies, to encourage students and recent graduates to present their original research which will be later published in the Pulsus Academies Journals. All accepted abstracts will be presented at the poster sessions during the conference. Pulsus Academies aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the conference.

Benefits:

- Unique opportunity to combine visual and oral explanations of your projects in the form of poster presentation
- Best poster Award: 3 best posters will be awarded at the closing ceremony of the conference
- The entire accepted poster abstract will be published in reputed and supporting international journals with unique DOI given by CROSSREF
- Best posters will be given an opportunity to publish the full work at discounted processing charges in the supporting international journals

Young Researchers Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Young Researcher Sessions are organized at the Conference on Brain Disorders, to provide a unique platform for Young Researchers/ Investigators for presenting latest research projects with an in-depth analysis. Pulsus Academies cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.
