

Future of World Fisheries & Aquaculture

Alba Jurado-Ruzafa

Research Assistant, Spanish Institute of Oceanography (IEO), Spain

Prestigious Award for Young Research's at Aquaculture 2021 - Discovering New Exploration in Marine Science and Oceanography.

Advanced Materials Conference Committee is glad to announce "3rd European Congress on Aquaculture and Marine Biotechnology" Webinar by focus on the theme: "Future of World Fisheries & Aquaculture". The innovations for Aquaculture 2021 are continuing apace. The curriculum for the Aquaculture Conference delves into strategic discussions.

Aquaculture 2021 Young Scientist Awards:

In recognition of their exceptional contribution to the conference theme, the Aquaculture Conference Committee intends to honor prestigious awards for promising Young researchers, scientists, Young Investigators, Post-Graduate students, Postdoctoral fellows, Trainees, and Junior faculty. The Young Scientist Awards make every effort to provide early career academicians with a good professional development opportunity by bringing them together with experts to exchange and share their experiences in all areas of Advanced Aquaculture and Marine Biotechnology.

Young Research's Awards at Aquaculture 2021 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Aquaculture 2021 young research forum.

Guidelines for Young Researchers Forum Benefits

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.

- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge
- Guidelines for Young Researchers Forum - Young Scientist Awards

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Aquaculture 2021 is an excellent opportunity to broaden the network by meeting scientists, government officials, and CROs from all over the world. It's now or never to enter Aquaculture 2021 for the purpose of supporting your research article and facilitating prestigious awards in all categories. We look forward to your commitment and extraordinary dedication in order to make our Aquaculture 2021 a success.
