

## Enlighten the New trends in Marine Science and Oceanography

**Alba Jurado-Ruzafa**

*Research Assistant, Spanish Institute of Oceanography (IEO), Spain*

Prestigious Award for Young Research's at Marine Science 2021 - Discovering New Exploration in Marine Science and Oceanography.

Advanced Materials Conference Committee is glad to announce "Global Summit on Marine Science and Oceanography" November 04-05, 2021 in Sydney, Australia by focus on the theme: "Novel Innovations in sustainable Aquaculture & Fishery". The innovations for Marine Science 2021 are continuing apace. The curriculum for the Marine Science Conference delves into strategic discussions.

### **Marine Science 2021 Young Scientist Awards:**

In recognition of their exceptional contribution to the conference theme, the Marine Science Conference Committee intends to honor prestigious awards for promising Young researchers, scientists, Young Investigators, Post-Graduate students, Postdoctoral fellows, Trainees, and Junior faculty. The Young Scientist Awards make every effort to provide early career academicians with a good professional development opportunity by bringing them together with experts to exchange and share their experiences in all areas of Advanced Marine Science and Oceanography.

Young Research's Awards at Marine Science 2021 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Marine Science 2021 young research forum.

### **Guidelines for Young Researchers Forum Benefits**

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.

- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge
- Guidelines for Young Researchers Forum - Young Scientist Awards

### **Eligibility**

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Marine Science 2021 is an excellent opportunity to broaden the network by meeting scientists, government officials, and CROs from all over the world. It's now or never to enter Marine Science 2021 for the purpose of supporting your research article and facilitating prestigious awards in all categories. We look forward to your commitment and extraordinary dedication in order to make our Marine Science 2021 a success.
